

Write it!

What can you see in Andy's room? Write sentences using capital letters, finger spaces and full stops. Can you use an adjective to describe what you see? Make sure your sentence makes sense before writing.

Read it! (Every week)

Our reading focus for this half term is ...

Retrieve

Identify and explain key features such as characters, events, titles and information

Example questions

What kind of text is this (fiction, non-fiction)
Who did...? Where did...?
What happened when...?
How did ...?

Practise reading and spelling the words on the butterfly sent home at the end of last half term. We will test the children on these before the end of the term.

Count It!

Children to pair up all their socks and count in twos to find out how many socks they have in their drawer.

Keep practising counting in 2's, 5's and 10's 😊

Find it!

Look around the house. How many shapes can you find? Draw some that you see.

Move it

Choose a cosmic kids yoga video. Go on cosmic kids on YouTube and choose which one you want to do

<https://www.youtube.com/user/CosmicKidsYoga>

Write it!

We have been learning the sounds ay, ee, igh, oo, ow, ar, ow, ou

Put these words into sentences

play green night

pool book park

snowball shout

Year 1 Autumn 2 Home Learning

Each week choose at least one of the activities to complete at home. Return your home learning books by the 7th of December 2021 so you can share with your teacher and class. We look forward to seeing your fantastic home learning!

Play It!

Find a game that you can play with a dice. Play the game with a friend or members of your family. Who was the winner? Can you recognise the amount of spots on the dice without having to count them?

Mash it!

Log onto Purple Mash (via welearn365.com) and complete the 2Do's set each week. If you are having problems logging on please speak to your class teacher.

Investigate It!

What are the months of the year? Why is December important? Make your own advent calendar to countdown until Christmas. Investigate why we have advent calendars.

Create it!

Can you create a wind chime from recycled materials? Stick a picture of your finished instrument in your book.

Map it!

This term we will be learning about maps. Draw a map of your bedroom. How about a map to show how you get to school?
