Head Teacher: Mrs Judith Ward

Newsletter January 17th 2020

The children have continued to produce some impressive work this week. My sticker and star box has been very busy!

As we are continually striving for excellence for your children, please can you help us out by reading regularly with your child at home? Just a couple of minutes every day will make a huge difference to supporting their progress.

Judith Ward

Attendance

Our attendance for last week was a very impressive 97.24%. Thank you for your support in achieving this. Congratulations go to 1JS who were the best attenders with an impressive 99.58%.

After school clubs

We have had a tremendous response to our after school club programme. There are only a few places left in gymnastics, cheerleading and table top games. All other clubs are full. You will be notified if your child's choice of club has been oversubscribed. Otherwise assume that your child has a place.

Reminder - Dance clubs run from 3.15-4pm only

Menu change

We are really lucky that Lisa, our school cook, has the flexibility to adapt the menus when she finds that children are not eating particular foods. As a result she has changed our menu for Week 3 (next week). On Tuesday she will cook cheese and tomato pizza instead of the Quorn topped pizza fillet. This will follow through every Tuesday of week 3.

Reception Vision Screening

Vision screening for Reception pupils takes place on 6th February - It will be assumed that all Reception children will take part in this programme. Please return the form if **you do not** want your child to take part.

School Uniform and Shoes

I have noticed that a few children are starting to come to school in clothing other than the school uniform. Our uniform is an important way of helping your child to feel part of our school family. Please come in and see us if you need help with this - we have lots of almost brand new spares.

Please make sure that school shoes are suitable, sturdy and do not have heels. We have had a few incidents with girls slipping on their 'heels'!

PE Kits

Yesterday I was shocked to see how many children did not have a PE kit in school. PE is an important part of our school curriculum and it is an expectation that children participate fully. This means that all children need to be suitably clothed for P.E. in school. There is no uniform for PE kit. Last summer's shorts and a tee shirt will be fine. Please speak to your child's class teacher if you need any further assistance.

Community News
