

Dear Parents/Carers

Year One Lock Down Home Learning Support

To remind you, as before, the home learning support plan is split into 2 areas:

Area one focusses on 'core learning,' concentrating on key skills for your child to practise. The key areas of Maths, reading (and phonics); spelling (and phonics) and writing are covered in this area. **Area One will remain constant for the next 2 weeks as we phase the children back into school.**

Area two focusses on a themed approach to learning. This area will provide ideas for bespoke meaningful activities, based around a weekly theme, that will give the children opportunities to practise their key skills in a variety of (hopefully fun) ways. **Area two will change weekly. We will release a new Theme grid weekly (ready for Monday morning).**

This week's theme is: " lighthouses'

This week's theme is about Lighthouses. Also, we'd like you to practise your phonics and spellings (use the you tube channel to help you). You can upload your learning directly into your folder in Purple Mash now and look out for our comments and rewards coming back to you for your efforts.

We really hope you enjoy the activities we've suggested for this week.

Take care and keep safe!

Mrs Snape & Mrs Gurr

Hear it

Listen and watch

'The lighthouse keepers lunch'

<https://www.youtube.com/watch?v=Rue8DclJNuY>

Mash it! Purple mash-

Topics-seaside

Seaside senses. Make a poster about what you can see, hear, smell, taste and touch. Also do 2do—icecream tenses

Map it

Design your own map of a beach. Make sure you include a gift shop, café, icecream stall, rock pools, lighthouse and any thing else you would like to be there.

Draw yourself on the map.

Make it!

Design a lighthouse. You could paint it or use a tube to make a 3d lighthouse.

Research it...

Find out about why lighthouses are important. Remember you will need a capital letter at the beginning of your sentences and fullstops at the end. Teach Mrs Snape and Mrs Gurr about lighthouses by saving in purplemash.

Year One Lock Down Learning Support Plan
Summer 2 WEEK 3: lighthouses

Don't forget to put your work on purplemash for us to see.

Also access Oak academy lessons

<https://www.thenational.academy/online-classroom/subjects/#subjects>

List it!

Make a list of things you would need to take to the beach. When you have your list can you

Solve it

You have 7 cubes. You split them into two. How many ways could you have? $2 + 5 = 7$

Don't forget buy 1 get 1 free! What if you had 9 or 11 cubes? Record your answers.

Mathematics (Target 1 per day)	Reading & Phonics (Target 1 per day)
<p>Practise counting out loud in 1's forwards and backwards to 100.</p> <p>Practise step counting out loud in 2's, 5's and 10's to 100.</p> <p>Count how many forks and spoons you have in the cutlery drawer in your house. Next time you do it - can you count them in 2's, 5's or 10's? Count how many light bulbs there are in your home: which room has the most light bulbs: which room has the least.</p> <p>Choose a number between 10 and 20. If the answer is the number you've chosen, how many questions could there be? Eg: if you chose 10, some questions could be: double 5 is... half of 20 is.... $2 + 8$ is.... $17 - 7$ is.... There are lots of possibilities to find!</p> <p>Play a number based board game: try snakes and ladders; dominoes or Ludo.</p> <p>If you have 2 dice: how many adding sums can you make when you add the dice? Can you think of a pattern so that you don't miss any out?</p> <p>Throw 2 dice and make an addition sum. Can you find the "buy one get one free?" can you also make a take away sum using the same numbers? You should be able to make 4 sums. For example: If 1 throw a 2 and a 5 that could make: $2 + 5 = 7$ or $5 + 2 = 7$ or $7 - 2 = 5$ or $7 - 5 = 2$.</p> <p>Practise writing number to 100. Partition? When you next have a packet of sweets. Can you put them into groups of 2's, 5's or 10's? how many groups can you make? Can you record your thinking?</p> <p>Choose a maths game to play on Education City or Purple mash</p>	<p>Watch and practise one of Mrs Snape's speed sound sessions (link on school web site)</p> <p>Listen to one of Mrs Gurr's stories (link on school web site)</p> <p>Share a book with an adult every day.</p> <p>Read some of a book that <u>YOU CAN</u> read out loud every day.</p> <p>Think of a non-fiction topic you're interested in: can you find an information book (or web page) on this topic? What facts can you discover?</p> <p>Ask an adult to buy you a magazine or a copy of 'First News' newspaper. Find an interesting article and try to read it or get an adult to help you.</p> <p>Look at the box your cereal come in. Which phonics can you see on the box that you already know? Can you write the words you have found in a list?</p> <p>Can you read all the words on your butterfly now? Colour in the ones you know and practise the ones you don't. Make a sentence to read with the words you know on your butterfly.</p> <p>Choose a phonics game to play on Education City or Purple Mash.</p>
Spellings & Phonics (Target 1 per day)	Writing (target 1 per day)
<p>Choose a few words to practise spelling on your butterfly sheet.</p> <p>Listen to one of Mrs Snape's Speed sound sessions and practise spelling some words with that sound (link on school website)</p> <p>Get some chalks or a paintbrush with water choose 2 words to practise and go outside. Write the words as many times as you can with the chalk/brush</p> <p>Do a Mr Thinky Spellings with Mrs Snape (link on school web site)</p> <p>Practise spelling: days of the week words and number words.</p>	<p>Practise writing letters starting on the line. Use the letter sheet you had in your pack. Once you can write single letters try combining letters to make words: eg.. practise l i a n d t then you can try: lit; tilt, it .</p> <p>Practise writing digits: 1,2,3,4,5,6,7,8,9,10.</p> <p>Write a letter to someone you can't see at the moment and really miss. Get an adult to post it for you.</p> <p>Write some sentences about a day you remember in school that you really enjoyed.</p> <p>Write a list of the games you are going to play with your friend when you see them again.</p>
