

Reception Home Learning Support for the week beginning Monday June 15th

Hello again to the all of our children and their parents and carers.

These are learning activities to support mathematics, reading and writing, physical and creative learning. Every time you complete an activity draw yourself a smile on a piece of paper - how many smileys have you collected?

We look forward to seeing your work on purple mash.

Do a little bit every day if you can

mathematics	reading and writing	creative	physical
<p>Patterns</p> <ul style="list-style-type: none">• There are lots of different patterns everywhere . Can you spot any when you go for a walk?• You can make a colour pattern, a shape pattern ,a number pattern• There are some fun pattern songs and number patterns on scratch garden - <p>https://www.youtube.com/watch?v=MBjjxSx45Q</p> <ul style="list-style-type: none">• Try to make your own pattern song .• A butterfly has symmetrical wings Find out what symmetrical means Draw your own butterfly. 	<p><u>The very hungry caterpillar</u></p> <p>A small caterpillar pops out of an egg and begins eating everything in sight. He eats through lots of fruit on the following 5 days. First it's one apple on Monday (but he was still hungry), then two pears on Tuesday, three plums on Wednesday, four strawberries on Thursday, and five oranges on Friday. Then he eat strawberries, chocolate cake, ice cream, a pickle, swiss cheese, salami, a lollipop, cherry pie, sausage, a cupcake, watermelon, and some leaves. Finally, he is not hungry and no longer small. The big fat caterpillar fat builds a cocoon around himself and finally emerges as a beautiful butterfly.</p>	<p>We are learning about different materials you can use to make your art</p> <ul style="list-style-type: none">• Can you design and make something that can fly? We like this butterfly. You could try and make one with strips of paper. Or you might decide to make something else that could fly.• Can you draw lots of things which fly - remember there are animals and insects as well as things that are not alive.• Can you make the very hungry caterpillar by collecting lots of leaves for his body?	<p><u>My exercise pattern</u></p> <p>Can you make a pattern with exercises that you can repeat?</p> <p>You could include</p> <p>jumping hopping bouncing a ball star jumps arms up turns side steps</p> <p>or any other exercises you think of can you explain your exercises to someone else to do</p>

- Draw the things he ate each day next to the days of the week.
- Say all of the days of the week
- Make your own weekly diary
