Newsletter 14th February 2020

The start of our week was an eventful one, turning up at school to find out that the large Poplar tree from the Spinney had been blown down in the high winds. Fortunately it fell away from our building and little inconvenience was caused.

As we get to the end of what seems to have been a very long half term, the children and staff are definitely ready for a well-earned rest from school. They have enjoyed their craft afternoon today as their reward for using our school values.

I hope you all have a lovely half term break and that the children come back to school refreshed and ready to continue with the next step of their learning journey.

Judith Ward

Year 2 - SATs Information for Parents - 25th February

We will be holding an informal session at the end of the school day (2.30pm) and after school (6.00pm) on 25th February to share information for parents about the Year Two SATs. These are the statutory tests and assessments that the Year Two children will take throughout May and over the summer term. You will be able to find out about the expectations of the tests and assessments and how you can help in preparing the children in a sensitive and age appropriate way. We look forward to seeing all Year two parents at these sessions. More information will follow.

Y1 Phonics Screen Information

Year One will be holding a final phonics screen information session for parents who were not able to attend the previous session following the Mars Rover activity before Christmas.

This will take place on Thursday 27th February at 2.45. (You do not need to attend if you came to the previous session).

School Meals - Pancake Day - Pancake Station - Tuesday 25th February

Lisa is busy getting ready for our special pudding menu on Pancake Day. Children will have the chance to choose from a range of pancake toppings. These will include: Fresh fruit salad, chocolate custard, traditional lemon and sugar, golden syrup and chopped banana. Which one

will you choose?

Family Learning

Coming soon - Family Gardening activities to support the improvement of the school grounds. Letters to follow after half term.

World Book Day -Thursday 5th March

This year we are ringing the changes and will **not** be dressing up for the day. Instead, the whole school will focus their learning on the story 'The Tin Forest'.

Instead of dressing up we will be asking the children to bring in their favourite story book to share with the class.

Advance notice - Learning Reviews- 17th and 19th March

Our learning reviews take place next week on Tuesday 17th and Thursday 19th March. These will give you and your child the opportunity to look at their work, discuss their progress and to look at ways you can support at home. Letters will be coming out for you to make an appointment after half term.

Attendance

We have maintained steady attendance with 95% last week. Over the next few weeks we will need your help in ensuring we maintain our high standards so that we can reach our 96% target. Congratulations go to RKS who were the best attenders last week at 99%.
